

Sisters, Gitzs' Always

1:38

4:47

We called each other Gitz and little Dan was always Witz and
u will forever my lil sis
Our bond will ALWAYS last.
Through the loss, you held it strong,
While I stumbled, you moved along.
We had the best time, just watching Labyrinth and Care Bears,
And you ironing your hair and I take you to school, and maybe
a trip to Maccies instead of learning German...
See above as its longer...

*My beautiful amazing sister, I'm thinking of you all the time
We may be far, but only in miles
I Look at our many photos and have a huge smile, because one
thing's for sure, it doesn't matter each mile
We are forever family
No matter what happens, you see
Because time is precious, but just know this
I love u, my nephews, my sis*

Though our family is now small,
Your kindness lifts us all.
From Monopoly and Sister Act to Mum saying, "You don't
play it like that..."
You stood by me, side by side.
Daniel loves you so much, his favourite auntie as such.
The boys are lucky to have a mum like you; motherhood is
tough, but so are you.
Together we laugh, we cry happy tears, and the boys have
fun too,
Sockleton, the Carlton dance and Sonia singing her tune—I
treasure those times with you and the boys.
I'm so sorry I haven't been there, and I'm so sorry for that,
but I've never stopped thinking of you, and I will always
love you.

*My beautiful amazing sister, I'm thinking of you all the time
We may be far, but only in miles
I Look at our many photos and have a huge smile, because one
thing's for sure, it doesn't matter each mile
We are forever family
No matter what happens, you see
Because time is precious, but just know this
I love u, my nephews, my sis*

Though miles may keep us apart,
You're always here, within my heart.
Thinking of you every day,
In every moment, come what may.

*My beautiful amazing sister, I'm thinking of you all the time
We may be far, but only in miles
I Look at our many photos and have a huge smile, because one
thing's for sure, it doesn't matter each mile
We are forever family
No matter what happens, you see
Because time is precious, but just know this
I love u, my nephews, my sis*

*This song is just for you
And we miss you and the boys, it's true.*
