

A SONG WRITTEN FOR SHEILA

Grateful for You

1:14

3:38

Sheila, at Ballys Gym we first met,
Those pretty eyes I can't forget.
Emails each night, words so sweet,
In your spontaneity, you swept me off my feet.
Seeing my car, knowing I was there,
Dancing together, a perfect pair.

*Sheila, through thick and thin, you stayed,
Your caring heart, a love that never fades.
Strong and kind, loyal and true,
Every day, I'm grateful for you.*

I remember waiting for your next email,
Your words of passion, never stale.
Traveling on a whim, you were so free,
A spirit so vibrant, you inspired me.
Though we faced the loss of your mom,
Together we stood, we remained strong.

*Sheila, through thick and thin, you stayed,
Your caring heart, a love that never fades.
Strong and kind, loyal and true,
Every day, I'm grateful for you.*

In your eyes, I see our future bright,
Hand in hand, we'll face the night.
With love and laughter, we'll carry on,
Together, forever, our bond is strong.

*Sheila, through thick and thin, you stayed,
Your caring heart, a love that never fades.
Strong and kind, loyal and true,
Every day, I'm grateful for you.*

*Sheila, my love, my guiding light,
With you, my world feels just right.*
