A SONG WRITTEN FOR JANET

Forever Bound

Janet, I remember that special day,
Your gentle smile lighting up the way.
In your caring arms, I found my home,
Strong and steady, never alone.
Our wedding day, a cherished start,
Forever bound, heart to heart.

> *Janet, my love for you is true,*
> *In everything, it's me and you.*
> *Caring and gentle, strong as can be,*
> *Janet, you mean the world to me.*

Through the years, we've grown and learned,
Every moment, a page we've turned.
Your strength and grace, a guiding light,
In your embrace, everything feels right.
Our journey together, hand in hand,
Building dreams, making plans.
Your gentle touch, your caring ways,
Fill my life with brighter days.

> *Janet, my love for you is true,*
> *In everything, it's me and you.*
> *Caring and gentle, strong as can be,*
> *Janet, you mean the world to me.*

As we look to the days ahead,
With love and laughter, our hearts are fed.
Together forever, come what may,
Janet, with you, I'll always stay.

> *Janet, my love for you is true,*
> *In everything, it's me and you.*
> *Caring and gentle, strong as can be,*
> *Janet, you mean the world to me.*

In your arms, I've found my place,
Janet, my love, my saving grace.
