

A SONG WRITTEN FOR LAUREN

Believe in Yourself

1:07

3:17

Lauren, from the first time I saw you,
You changed my world, made it feel brand new.
Living with us, those days were the best,
A shining star, you outshine the rest.
Strong and brave, you never give up,
Earning your black belt, you rose up.

*Lauren, always believe in yourself,
As I believe in you, like nobody else.
Stay strong, be true, let your dreams unfold,
Your heart's a treasure, more precious than gold.*

You're caring, generous, gentle and kind,
A beautiful soul, both heart and mind.
Smart and brave, you light up the way,
In my heart, you'll always stay.
From the start, I loved you so,
Now and forever, this love will grow.
I can't wait to see what you'll achieve,
With strength and courage, just believe.

*Lauren, always believe in yourself,
As I believe in you, like nobody else.
Stay strong, be true, let your dreams unfold,
Your heart's a treasure, more precious than gold.*

The future's bright, with endless skies,
Keep reaching high, let your spirit rise.
You'll accomplish all, just keep on believing,
In you, my dear, I'm always believing.

*Lauren, always believe in yourself,
As I believe in you, like nobody else.
Stay strong, be true, let your dreams unfold,
Your heart's a treasure, more precious than gold.*

*Lauren, my shining star, forever you'll be,
In my heart, you're everything to me.*
