

A SONG WRITTEN FOR SABRYNA, CODY

Lifeline of Love

1:07

3:18

Sabryna and Cody, you've grown so strong,
In this life, you've come so far along.
Though I worked too much when you
 were young,
Single parent days, regrets unsung.
But now I see the people you've become,
In my heart, you're always number one.

*Sabryna, Cody, my lifeline you are,
I'm so proud of you, you've come so far.
With all my love, I hold you near,
My heart is yours, forever sincere.*

Through the struggles and the tears we faced,
You found your strength, your own
 special place.
I missed moments, and that's my regret,
But your courage, I'll never forget.
The bond we share, no distance can break,
In every heartbeat, it's you I take.

*Sabryna, Cody, my lifeline you are,
I'm so proud of you, you've come so far.
With all my love, I hold you near,
My heart is yours, forever sincere.*

As you journey on, know I'm by your side,
In every step, with love as your guide.
No matter where life takes you, you'll see,
In my heart, you'll always be free.

*Sabryna, Cody, my lifeline you are,
I'm so proud of you, you've come so far.
With all my love, I hold you near,
My heart is yours, forever sincere.*

*Forever proud, forever true,
Sabryna and Cody, I love you.*
