

A SONG WRITTEN FOR SWEETIE

Sweetness in My Heart

Sweetness and Kindness

1:11

3:29

I saw you first across our schoolroom floor
I watched you through the whole class, quietly
Then asked your name and number by the door
You said yes, and the world felt bright and free
Each day I called, my heart began to soar
Your answer filled my life with melody

*Sweetie, I celebrate your kindness true
Your gentle smile brings light in all you do
Your hugs and kisses keep me warm at heart
Your sweetness, always in my heart*

At Central Park, we walked beneath the trees
I held your hand beneath the traffic light
You felt it too, a quiet, sudden breeze
Two hearts were learning how to hold on tight
In harder days, when cancer came my way
Our first child was six months, small and new
You kept me strong and helped me face each day
With faith and love, we made it through

*Sweetie, I celebrate your kindness true
Your gentle smile brings light in all you do
Your hugs and kisses keep me warm at heart
Your sweetness, always in my heart*

I'll walk beside you while you chase your dreams
We'll mend the days with love along the seams
Our children are the treasures that we share
I'll stay beside you, always there

*Sweetie, I celebrate your kindness true
Your gentle smile brings light in all you do
Your hugs and kisses keep me warm at heart
Your sweetness, always in my heart*

*I see your smile, and all my world feels new
My heart still finds its way to you*
