

A SONG WRITTEN FOR MARION

Circle of Trust

Wedding anniversary

1:03

3:06

At Covenanters, forty-nine years ago
The moment our eyes met, I just knew
Your beautiful smile began to glow
My heart had found its way to you
Within a few short weeks, you'd write
A new signature, smiling bright

*Marion, forty-five years side by side
You make this house a home with pride
Our circle of trust stays strong and true
Forever, I choose only you*

Two daughters, beautiful and dear
I'm grateful you have brought them here
Through good and bad, we stayed as one
You held us close when days were done
Your DIY can mend and make
This house a home for all our sake
You are the glue that holds us tight
Our circle of trust shines bright

*Marion, forty-five years side by side
You make this house a home with pride
Our circle of trust stays strong and true
Forever, I choose only you*

On our wedding anniversary, hear me say
My love will meet each coming day
With you, I see the years anew
Forever, my heart comes home to you

*Marion, forty-five years side by side
You make this house a home with pride
Our circle of trust stays strong and true
Forever, I choose only you*

*My Mo, that smile still lights my view
After forty-five years, I love you*
