

A SONG WRITTEN FOR JANE

# Guiding Light

*Birthday*

1:11

3:28

At family time, I watched you lead the way  
T-J and Amelia found their friend  
I saw the care you gave them every day  
Their trust in you will never end  
On holidays, we made our memories  
Family time means everything to me

*Jane, you're the light that guides my way  
My children know your love is true  
You guide me gently day by day  
I hope to be like you*

When Dad had cancer, you were brave  
You held us close in caring arms  
You kept the business on its way  
And kept the family safe from harm  
Though stress can find you now and then  
You put us first, time and again  
Your loving heart still leads us through  
Your strength inspires in all you do

*Jane, you're the light that guides my way  
My children know your love is true  
You guide me gently day by day  
I hope to be like you*

On your birthday, I want you to know  
How much your love has carried me  
I'll keep your guidance as I grow  
And hope you see what I can be

*Jane, you're the light that guides my way  
My children know your love is true  
You guide me gently day by day  
I hope to be like you*

*Your love lives on in all we do  
I'll keep on growing close to you*
