

A SONG WRITTEN FOR LEO

Always and Forever

Just because

1:19

3:53

In the pub where I worked, we first met
You saw all of me, no regret
Since 17th December 2023
Your arms have made a home with me
You're the safe place I've always known
You make my weary heart your home

*Leo, you're my heart, my whole world
You make my scattered heart unhurt
I'll be your strength when nights feel long
Always forever, we belong*

When prison took you from my sight
In 2025, I held on tight
I was lost with a broken heart
But stayed beside you from the start
We faced hard times with patient love
On visits you held me close when days
were rough
You wiped my tears, then made me smile
We made it through, mile after mile

*Leo, you're my heart, my whole world
You make my scattered heart unhurt
I'll be your strength when nights feel long
Always forever, we belong*

I'm so proud of the man you've become
I've never felt a love like this, my one
Till death do us part, I'll stay near
I'll always have your back, year after year

*Leo, you're my heart, my whole world
You make my scattered heart unhurt
I'll be your strength when nights feel long
Always forever, we belong*

*I wouldn't want you any other way
I choose you, now and every day*
