

A SONG WRITTEN FOR SECOND MAM

Eternal Gratitude

Christmas

1:11

3:28

When I was little, you showed such care
Whenever I needed you, you were there
You taught me so much about this life
You led with love through joy and strife
Your strength shone bright when days
were grey
Your empathy lit up my way

*My second Mam, thank you for all that
you do
For all you have given, I love you
My love makes this promise clear
I'm always here, I'll stay near*

Mam and Dad passed so close together
Grief rose and filled our hearts with pain
You lost your best friend in that pain
Yet you were there for me again
Your resilience held through all the years
Your empathy could soften tears
Your love has taught my heart to see
How much your care still means to me

*My second Mam, thank you for all that
you do
For all you have given, I love you
My love makes this promise clear
I'm always here, I'll stay near*

This Christmas, I still hold the dream
To see our loved ones one last time
Just for a minute, bright it seems
To keep them safely in my mind

*My second Mam, thank you for all that
you do
For all you have given, I love you
My love makes this promise clear
I'm always here, I'll stay near*

*At Christmas, our lights still glow
My gratitude will always grow*
