

A SONG WRITTEN FOR NIKKI

Faith in Us

Birthday

1:05

3:12

Our spouses said, "You two take care"
They didn't want what they had to share
So we were pushed to stand as one
To care for what was left undone
We'd laugh, "I'll take two of those"
Half of it—the rest, our laughter knows

*Nikki, you gave everything away
Kept nothing for yourself, day by day
Keep faith in me, in what I hold true
We'll remain strong, I believe in you*

I nearly let our marriage go
Thinking of myself, I know
You stayed through the hardest twenty years
And kept on giving love through tears
You worked so hard, thought of the rest
For family, you gave your best
Your freedom, wishes set aside
Still giving love right by my side

*Nikki, you gave everything away
Kept nothing for yourself, day by day
Keep faith in me, in what I hold true
We'll remain strong, I believe in you*

On your birthday, I wish you peace
May faith between us never cease
Keep faith in me, and hold on tight
We'll stay strong through each coming night

*Nikki, you gave everything away
Kept nothing for yourself, day by day
Keep faith in me, in what I hold true
We'll remain strong, I believe in you*

*Still laughing, "I'll take two of those"
The rest of it, our love still knows*
