A SONG WRITTEN FOR JANICE

Timeless Love Journey

Anniversary

At the restaurant, I waited that night
You lost your way, arriving late
I went to find you in the fading light
Then led you back, though time had made us wait
30 years ago, you stirred my heart
The first time I saw you was our start

> *Janice, from first sight, my love was true*
> *Through all our ups and downs, I choose you*
> *On this anniversary, hold me tight*
> *30 years, I've loved you from first sight*

With little money, we still carried on
Through hard times, your care would ease my pain
Through every rise and fall, you kept me strong
Your patient heart brought calm like summer rain
Your thoughtful kindness showed me what was true
Your wisdom gave our days a gentle grace
In all the changing days, I turned to you
And found my calm reflected in your face

> *Janice, from first sight, my love was true*
> *Through all our ups and downs, I choose you*
> *On this anniversary, hold me tight*
> *30 years, I've loved you from first sight*

Let all the years ahead be soft and bright
I'll keep on choosing you through every day
I'll hold you close when evening turns to night
And walk beside you all along the way

> *Janice, from first sight, my love was true*
> *Through all our ups and downs, I choose you*
> *On this anniversary, hold me tight*
> *30 years, I've loved you from first sight*

That restaurant stays close within my heart
Thirty years, love feels a brand-new start
