

A SONG WRITTEN FOR TJ

Hope's Warm Embrace

Birthday

0:57

2:48

On our first date, you kept me warm
You took off your jacket that night
Your chivalrous heart became my calm
And everything felt safe and bright
From then, I knew your steady way
Could keep the cold so far away

*TJ, on your birthday, hope stays alive
You stand by my side, you help me thrive
True to Allah, and true to you
Keep hope alive, remain ever true*

In the East River, a woman was drowning
You helped to save her without fear
The world held still while you were helping
Your selfless heart was bright and clear
On our long trips, we left cares behind
Our movie nights brought peace of mind
When we could not go out of state
You made each moment worth the wait

*TJ, on your birthday, hope stays alive
You stand by my side, you help me thrive
True to Allah, and true to you
Keep hope alive, remain ever true*

May every year keep hope in view
I'll walk beside you, come what may
May Allah guide what you pursue
With laughter lighting up our way

*TJ, on your birthday, hope stays alive
You stand by my side, you help me thrive
True to Allah, and true to you
Keep hope alive, remain ever true*

*That jacket's warmth still lights my heart
Hope leads us on, never apart*
