

A SONG WRITTEN FOR JENNY KAMANDA

Shining Light

Birthday

1:04

3:08

When I went to 6 miles, doubts took hold
You felt uncared for in the cold
I cared so much, my love was true
Even when the miles came into view
Now every moment draws me near
Because your love is so sincere

*Jenny Kamanda, you're my shining light
I'll always be there when you need me near
Happy birthday, my love, shining bright
For me, my best thing, year by year*

Each moment spent with you is so dear
I never want a day without you near
Your warm smile brings a gentle glow
Your caring heart helps all my love grow
A strong Black woman, standing tall
Your strength and spirit lift us all
Mother to our child on the way
You fill my heart with hope each day

*Jenny Kamanda, you're my shining light
I'll always be there when you need me near
Happy birthday, my love, shining bright
For me, my best thing, year by year*

I'll be there when your days feel long
Beside you, steady, kind, and strong
For all the days that wait ahead
My love will be the words I've said

*Jenny Kamanda, you're my shining light
I'll always be there when you need me near
Happy birthday, my love, shining bright
For me, my best thing, year by year*

*The warmth of your smile will lead me through
My heart keeps choosing only you*
