

A SONG WRITTEN FOR KAYLEY

Thank You For Being You

Christmas

1:05

3:10

I asked if my new glasses looked okay
On our first date, you gave a little smile
I'd only got those glasses that same day
I saw your gentle heart behind your smile
That simple question lingers with me still
Like morning light across the windowsill

*Kayley, you're more loved than you know
You do so much and expect nothing in return
You give us a place to call home
Thank you for being you*

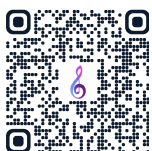

On twenty-first of April, twenty eighteen
We married, the happiest day I've seen
Our honeymoon in Italy, then Japan too
A trip of a lifetime, all of it with you
On the twelfth of October, twenty
twenty-one
Ashby was born and our new life begun
He is everything to us, so dear
You give your best and ask for nothing, year
on year
New Forest, Peppa Pig World, Denmark,
and more
Family holidays we will always adore

*Kayley, you're more loved than you know
You do so much and expect nothing in return
You give us a place to call home
Thank you for being you*

At Christmas, let these words ring clear
Be gentle with yourself tonight
I'll stand beside you through each year
Your heart deserves a softer light

*Kayley, you're more loved than you know
You do so much and expect nothing in return
You give us a place to call home
Thank you for being you*

*Your quiet love will light our way
And keep us close on Christmas Day*
