

A SONG WRITTEN FOR ANNA

Our Love Story

Christmas

1:13

3:34

At work, your laughter made the long days bright
Your patient heart could make the pressure light
Your wisdom made the tangled things seem clear
Your jokes would bring a smile when stress was near
Among the busy hours, I found you there
And every day grew softer in your care

*Anna, my favorite love story is ours
The one we're writing hour by hour
I'm thankful beyond words you're my wife
Our love story, my life*

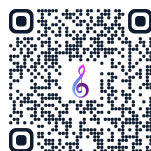

We married in 2019
In Venice, our honeymoon would shine
Santorini opened up the skies
Our best vacations in our eyes
When I lost my mother, you stayed near
You held me through the quiet and the tears
Your patient love would see me through
I knew that I could lean on you

*Anna, my favorite love story is ours
The one we're writing hour by hour
I'm thankful beyond words you're my wife
Our love story, my life*

At Christmas, I see our future glow
With you, each year is warm and bright
I'll write this story where it goes
And keep your hand in mine tonight

*Anna, my favorite love story is ours
The one we're writing hour by hour
I'm thankful beyond words you're my wife
Our love story, my life*

*One page, one laugh, our future in view
My favorite story leads to you*
