

A SONG WRITTEN FOR GINA

The Cream in My Coffee

Just because

1:26

4:12

I still remember the man I used to be,
Before your love brought out the best in me.
You never tried to change who I was,
You made me better just because.

You're beautiful, but that's just where it starts,
You've got a strength that comes straight from
your heart.

My closest friend, my partner through it all,
You're always there to catch us when we fall.

*Gina, you're the cream in my coffee each day,
You make the bitter moments fade away.
You're the missing piece that makes our
family whole,
The love of my life, the home for my soul.*

We almost lost our boy, and I was scared,
I held on tight and whispered every prayer.
Then I came so close to losing you,
And I didn't know what I would do.

But here we are, with so much left to give,
So thankful for the life we get to live.
You're an amazing mother, selfless and kind,
The strongest woman I could ever find.

*Gina, you're the cream in my coffee each day,
You make the bitter moments fade away.
You're the missing piece that makes our
family whole,
The love of my life, the home for my soul.*

I love those little things you do each day,
The meals you make, the love you give away.
You put us first, you give more than you take,
And I'd choose you again with every breath I take.

*Gina, you're the cream in my coffee each day,
You make the bitter moments fade away.
You're the missing piece that makes our
family whole,
I'll love you forever, with all my heart and soul.*

*I don't need a reason to say I love you,
My life is complete because I have you.*
