

A SONG WRITTEN FOR VILMA

# Forgiveness from Afar

*Just because*

1:18

3:48

When we speak of Jehovah, our God  
Your kindness brings a brighter day  
We build on trust, so strong and broad  
Your joy comes softly every day  
Our friendship grows through all we share  
Your loyal heart is always there

*Vilma, thank you for loving me  
Your forgiving heart has set me free  
You love Jehovah God with your soul  
Love Jehovah above all*

For ten long years, we've been apart  
You live in another country  
The sadness still lives in my heart  
Your joy returns in memory  
We make memories for future days  
A solid friendship, strong and true  
Trust and loyalty lead our way  
Your forgiveness pulls me through

*Vilma, thank you for loving me  
Your forgiving heart has set me free  
You love Jehovah God with your soul  
Love Jehovah above all*

I'll hold our talking close to me  
And keep the trust we've always known  
May future memories come to be  
Upon the solid ground we've grown

*Vilma, thank you for loving me  
Your forgiving heart has set me free  
You love Jehovah God with your soul  
Love Jehovah above all*

*Your joy still warms me from afar  
And faith will guide us where we are*
