

A SONG WRITTEN FOR MELANIE

# Another Chance at Love

Christmas

1:04

3:08

The room fell still when you came through  
January wedding, still feels true  
Your smile made all the room shine bright  
You walked the aisle in shining light  
I fought the tears behind my eyes  
The joy in me began to rise

*Melanie, you never gave up on me  
God gave our love another chance  
You mean the world to me  
Thank you for your helping hand*

My biggest dream was to be a husband and a dad  
Something I had almost lost all hope to have  
You made that dream come true, and I'm  
forever glad  
With Maia and Madison, proof of our love  
Those months apart were hard, I threw our  
love away  
But you never stopped believing, and you still  
chose to pray  
When I lost my job, you stood by me each day  
You gave me a reason to live and the strength to be  
a better man

*Melanie, you never gave up on me  
God gave our love another chance  
You mean the world to me  
Thank you for your helping hand*

You fill our adventures with joy, you laugh at all  
our silly jokes  
You bring out the goofy side of us that only our  
girls know  
I love your smile, your laughter, that little dimple  
on your cheek  
You gave me more than I ever dreamed when you  
gave us our family

*Melanie, you never gave up on me  
God gave our love another chance  
You mean the world to me  
Thank you for your helping hand*

*Your smile still lights the room tonight  
Melanie, you make my world shine bright*
