

A SONG WRITTEN FOR RONDA

Timeless Love's Embrace

We just recently reconnected after nearly 40 years.

1:14

3:37

You came to me and took the lead
I fell for you with lightning speed
Your clever jokes made laughter start
Your beauty reached straight to my heart
When you moved in, joy filled our home
I knew I'd never feel alone

*Ronda, your love still lights my way
I'll make lost years up every day
I loved you then, I love you now
Hold you for life, I vow*

I hate the way we said goodbye
That regret still lives deep inside
Nearly forty years slipped away
My love for you still chose to stay
You had every right to close the door
Still, you let me in once more
Your kindness brought me back to you
I thank you for a love so true

*Ronda, your love still lights my way
I'll make lost years up every day
I loved you then, I love you now
Hold you for life, I vow*

I'll do my best to mend lost years
And hold you close through joy and tears
I want to share the road ahead
With all the love I should have said

*Ronda, your love still lights my way
I'll make lost years up every day
I loved you then, I love you now
Hold you for life, I vow*

*Your hand in mine, I see the light
I'll hold it gently every night*
