

A SONG WRITTEN FOR BRUNILDA

Home by the Sea

Love Of My life and Mother of Our 5 Beautiful Children

1:13

3:35

In Durres, by the seaside shore
Our first hello opened a door
Since August 2015, hand in hand
We built our home and made our stand
Five little children fill the room
You make their busy days all bloom

*Brunilda, love of my life, my pride
You give them warmth along the way
I'll always love you, stand by your side
Proud of you, every day*

From one to eight, they grow so tall
You care for each through every call
My truck rolls on through night-time skies
So I can help at daylight's rise
Hard times have weighed upon our home
Yet you will never stand alone
You are the strength in all you do
My proud heart sees the best in you

*Brunilda, love of my life, my pride
You give them warmth along the way
I'll always love you, stand by your side
Proud of you, every day*

I'll share the work through all the years
And hold you close through all your fears
Our love will keep our whole home strong
With you is where I belong

*Brunilda, love of my life, my pride
You give them warmth along the way
I'll always love you, stand by your side
Proud of you, every day*

*Five small voices fill our home
With you, I'll never walk alone*
