

A SONG WRITTEN FOR ELIZABETH (BETTY) WADDELL

Eternal Beach Memories

Tribute

1:13

3:34

On school holidays, we went to the beach
Our picnic waited within reach
You made the ordinary bright
With caring thoughts and quiet light
We had the best weekend in Italy
I keep those hours so close to me

*Elizabeth (Betty) Waddell, life is hard
without you
I miss you so much, I always do
It is an honour to call you Mum
I'd choose you, Mum, it's true*

From childhood through my adult years
Your caring heart was always near
You were my best friend, wise and kind
With thoughtful words that eased my mind
In 2023, Dad passed away
The hurt was more than words could say
Your love made room for all my tears
And carried me through heavy years

*Elizabeth (Betty) Waddell, life is hard
without you
I miss you so much, I always do
It is an honour to call you Mum
I'd choose you, Mum, it's true*

This tribute holds the thanks I owe
I'll carry your kindness as I go
The love you gave still lights my way
I'll keep it close in every day

*Elizabeth (Betty) Waddell, life is hard
without you
I miss you so much, I always do
It is an honour to call you Mum
I'd choose you, Mum, it's true*

*That beach picnic stays in view
The best of Italy stays too*
