

A SONG WRITTEN FOR PAUL , LEIGH, JAMIE , JESSICA

Forever in My Heart

Just because

1:26

4:13

The day you were born, the room shone bright
I held you close, my heart took flight
Those wedding days brought joy and cheer
We watched our family gather near
On Christmas Eve, the house would glow
Twelve grandchildren made laughter flow

*Paul, Leigh, Jamie, Jessica, I'm proud of all you do
Whenever I call, you always come through
I love the people you grew into
Forever, my heart is with you*

Paul, cricket and family light your days
Your quiet care shows in so many ways
Leigh, your kind calls bring old days near
A gentle, hard-working dad, so dear
Jamie, strong and protective, a great dad
Jessica, your family makes you glad
We lost Papa, Nan, Poppy, other Nan, gone
Still, their love helps us carry on

*Paul, Leigh, Jamie, Jessica, I'm proud of all you do
Whenever I call, you always come through
I love the people you grew into
Forever, my heart is with you*

At my fiftieth, I heard them say
Our family is special in every way
You're there whenever I need you near
I'm proud of all that you hold dear
Paul, Leigh, Jamie, Jessica, strong
My love will be with you all along
Through all the days that come and go
My pride in you will always show

Just because I need you to know
My pride in you will always grow
Whatever future comes in view
Forever, my heart is with you

*Paul, Leigh, Jamie, Jessica, I'm proud of all you do
Whenever I call, you always come through
I love the people you grew into
Forever, my heart is with you*

*That Christmas Eve stays on my mind
Twelve grandchildren, all gathered in*
