

A SONG WRITTEN FOR ESME ESPARZA

Shining Light of Love

Birthday

1:21

4:00

In hard times, we held on through the night
Our love kept one small flame burning bright
My precious daughter, close by my side
Together, we faced each rising tide
Your beauty brought a softer day
My princess, you could light my way

*ESME ESPARZA, you're part of my heart
I love you more than words can impart
On your birthday, you're my heart's delight
My beautiful princess, you're my shining light*

We walked through hard times, you and I
Yet love would lift us to the sky
When days were hard, I kept you near
Our love remained so strong and clear
Each day, your beauty filled my view
My love grew deeper, strong and true
No matter what the days may bring
You are my heart's most precious thing

*ESME ESPARZA, you're part of my heart
I love you more than words can impart
On your birthday, you're my heart's delight
My beautiful princess, you're my shining light*

May every birthday bring you light
May every dream rise warm and bright
Whatever comes, I'll stay nearby
And love you under every sky

*ESME ESPARZA, you're part of my heart
I love you more than words can impart
On your birthday, you're my heart's delight
My beautiful princess, you're my shining light*

*Your love is glowing in my heart
My precious daughter, never apart*
