

A SONG WRITTEN FOR MARITZA

Grateful for Your Light

Tribute

1:00

2:58

When we were young, you made me earn your love
I worked with all my heart to be enough
Your beauty lit the path before my eyes
It still shines bright beneath our changing skies
Your hand made heavy days feel less severe
And kept me close through every passing year

*Maritza, I'm grateful for our years
You've raised me up beyond my fears
In good and bad, your love stays true
Lucky to have you*

For forty-two years, we've shared this road
Through hard times, you helped me bear the load
When I fell down, you showed me how to rise
You brought back courage to my tired eyes
Our two sons grew beneath your tender care
You're the best Abuela, always there
Your love keeps guiding me with light
You stand beside me, day and night

*Maritza, I'm grateful for our years
You've raised me up beyond my fears
In good and bad, your love stays true
Lucky to have you*

I'll keep on thanking life for you
For all the strength you help me find
Whatever comes, I'll walk with you
Your love will stay upon my mind

*Maritza, I'm grateful for our years
You've raised me up beyond my fears
In good and bad, your love stays true
Lucky to have you*

*Still beautiful, you light my way
I'm lucky to have you every day*
