

A SONG WRITTEN FOR ANNIE

# Guiding Star

*Anniversary*

1:22

4:01

At M store, in the photo department  
We met, and I remember that first smile  
I worked there, not knowing what my  
heart meant  
Then love began to stay a little while  
You brought a joy I'd never known before  
And I keep finding reasons to adore

*Annie, I love you more than anything  
This anniversary, my whole heart sings  
I'm proud of the mother and lover you are  
I love you, my guiding star*

Through my illness this year, you stayed near  
Your laughter softened every fear  
Your big heart held our family strong  
Your steady love helped me move along  
For everyone, you always make room  
Your laughter drives away the gloom  
Devoted in all that you do  
I see the very best in you

*Annie, I love you more than anything  
This anniversary, my whole heart sings  
I'm proud of the mother and lover you are  
I love you, my guiding star*

I'll stand beside you through the years  
And meet tomorrow without fears  
With all my heart, I want you to know  
My love for you will always grow

*Annie, I love you more than anything  
This anniversary, my whole heart sings  
I'm proud of the mother and lover you are  
I love you, my guiding star*

*From that photo department, love took flight  
And you still make my whole world bright*
