A SONG WRITTEN FOR SHERITA

Eternal Threads

Anniversary

Back in college, paths crossed many times
Yet we never found the words to stay
God had other plans beneath the skies
A mutual friend entwined our way
Since 1999, you've held us tight
The thread in our family's fabric, bright

> *Sherita, our love stands strong and true*
> *I'll walk beside you endlessly*
> *With Jesus, we will see it through*
> *Always you and me*

The stress from my jobs weighed on our days
Yet you stood strong, you held your ground
We fought the world in many ways
We raised two incredible children with pride
You love with all your heart and soul
Your bond with Jesus makes you whole
You're the most beautiful soul I see
Strong-willed, and all the world to me

> *Sherita, our love stands strong and true*
> *I'll walk beside you endlessly*
> *With Jesus, we will see it through*
> *Always you and me*

On this anniversary, I say
With Jesus leading day by day
I'll be with you eternally
It will always be you and me

> *Sherita, our love stands strong and true*
> *I'll walk beside you endlessly*
> *With Jesus, we will see it through*
> *Always you and me*

Still woven through our family's fabric
Jesus leads us into the light
