A SONG WRITTEN FOR REBEL * RAVEN

Always By Your Side

Just because

The day you lived inside of me
I found the truest love I knew
You filled my heart so completely
I found my everything in you
I needed you there by my side
And held that love with so much pride

> *Rebel and Raven, stay true to who you are*
> *I'm proud you shine just like a star*
> *You're my biggest everything, my heart*
> *Mama's here, never far apart*

Your strength holds steady through the fight
You see things through, whatever comes
You always reach toward the light
And finish every road begun
That short time you were far from me
Was the worst time I'll ever see
I'm glad you don't remember pain
I'll hold you close again and again

> *Rebel and Raven, stay true to who you are*
> *I'm proud you shine just like a star*
> *You're my biggest everything, my heart*
> *Mama's here, never far apart*

Just because, I want you to know
My love will follow where you go
Whatever struggle comes your way
Mama will be here every day

> *Rebel and Raven, stay true to who you are*
> *I'm proud you shine just like a star*
> *You're my biggest everything, my heart*
> *Mama's here, never far apart*

Keep your light and let it show
I'll be here wherever you go
