EN SÅNG SKRIVEN FÖR JAMES

You brought home the finest fruits
From the garden, from the roots
You planted, watched it all grow
And stood proud in the afterglow
You showed the harvest to your wife
Your warmth still lights our life

> *James, our Sunny Boy, we love you so*
> *From wife, kids and grandkids, you know*
> *Your love lives on in all of us*
> *So loved, forever with us*

Your son and three daughters learned
From you to build, and how to earn
You sang 'O Holy Night'
Those high notes shining bright
The cancer took your strength away
But your voice is here to stay
Twenty twenty-six you left
But your song is in us yet

> *James, our Sunny Boy, we love you so*
> *From wife, kids and grandkids, you know*
> *Your love lives on in all of us*
> *So loved, forever with us*

We carry your love year by year
Like perfume in the air so clear
It shines wherever we may go
Your finest scent still glows

> *James, our Sunny Boy, we love you so*
> *From wife, kids and grandkids, you know*
> *Your love lives on in all of us*
> *So loved, forever with us*

We hear your song when evening falls
Your sweet scent in the air recalls
