A SONG WRITTEN FOR BRIGITTE

Quiet Light of Gratitude

Just because

At my brother's funeral, you stayed near
You held the silence, made it clear
Your gentle hands were there to guide
When every word was locked inside
You gave your kindness without show
A steady light when days moved slow

> *Brigitte, I thank you for your care*
> *You stayed beside my brother back then*
> *You showed a love beyond compare*
> *Thank you once again*

You always helped in quiet ways
And made the longest hours feel kind
Your patience carried through those days
Like warmth that settled in my mind
I saw your heart in all you'd do
Your friendship never asked for praise
That simple goodness saw me through
And still it lights my darkest days

> *Brigitte, I thank you for your care*
> *You stayed beside my brother back then*
> *You showed a love beyond compare*
> *Thank you once again*

I'll keep your kindness close to me
It's part of who I'll always be
May all the good you freely share
Come back and find you everywhere

> *Brigitte, I thank you for your care*
> *You stayed beside my brother back then*
> *You showed a love beyond compare*
> *Thank you once again*

A quiet light remains in view
My grateful heart comes back to you
