A SONG WRITTEN FOR QUINN

Blooming Laughter

Just because

At Plain Restaurant, we'd make-believe
Your laughter filled the room with bloom
With every little world you'd weave
You made an ordinary day bloom
Then songs and dances took their flight
Your joy could turn the day to light

> *Quinn, you're loved beyond all reason, dear*
> *Papa and Gram will keep you near*
> *Watching you grow fills us with pride*
> *Your laughter shines from deep inside*

At Kalahari, you chased the spray
Your happy laughter filled the blue
You met each challenge on the way
With fierce determination, too
With icing, colors on a plate
Your kindness showed in all you'd do
Decorating made the day feel great
Arts and crafts came alive with you

> *Quinn, you're loved beyond all reason, dear*
> *Papa and Gram will keep you near*
> *Watching you grow fills us with pride*
> *Your laughter shines from deep inside*

May every road keep calling you
May every dream know how to soar
We'll be beside you, tried and true
With open hearts forevermore

> *Quinn, you're loved beyond all reason, dear*
> *Papa and Gram will keep you near*
> *Watching you grow fills us with pride*
> *Your laughter shines from deep inside*

Keep dancing where the sunlight streams
Keep singing all your shining dreams
