A SONG WRITTEN FOR KIM

To the Moon and Beyond

Just because

At the horse auction, close to me
Your laughter filled the memory
So strong and beautiful, you shine
Your caring heart brings light to mine
You are my best friend, kind and true
My loving wife, I lean on you

> *Kim, I love you to the moon and beyond*
> *Right with you is where I belong*
> *I'll hold your hand through every strife*
> *I choose you for the rest of my life*

I've watched you be a loving mother
Your kindness lifts us like no other
When you lost your Dad, nights were long
You carried on, so brave and strong
In every storm, you still give light
And keep our home so warm and bright
I see the love in all you do
It makes me want more years with you

> *Kim, I love you to the moon and beyond*
> *Right with you is where I belong*
> *I'll hold your hand through every strife*
> *I choose you for the rest of my life*

I'll choose your hand through all our days
And thank you in a thousand ways
Your love has made my whole heart grow
Wherever life may lead, I'll go

> *Kim, I love you to the moon and beyond*
> *Right with you is where I belong*
> *I'll hold your hand through every strife*
> *I choose you for the rest of my life*

That day at the horse auction glows
My heart still follows where love goes
