A SONG WRITTEN FOR TINA

Echoes of Forgotten Love

Just because

The day our daughter came to light
Your love made every shadow clear
That morning still shines warm and bright
I keep it close, year after year
I took your love for granted then
Believing it would never end

> *Tina, thank you for the love you gave*
> *I wish you still were by my side*
> *Your love remains the strength I crave*
> *Still here within my life*

When my work hours were cut away
When I was losing items too
You helped me through it day by day
With all the strength you carried through
I took your steady love for granted
I left my thanks until too late
Now I regret the hurt I planted
And face the weight of my mistake

> *Tina, thank you for the love you gave*
> *I wish you still were by my side*
> *Your love remains the strength I crave*
> *Still here within my life*

No special day has brought these words
I only need you now to know
They carry all I can't reverse
How much I wish you still were close

> *Tina, thank you for the love you gave*
> *I wish you still were by my side*
> *Your love remains the strength I crave*
> *Still here within my life*

That first dawn lingers in my view
My thanks still travel back to you
