A SONG WRITTEN FOR MAURA

Anchor in the Tide

Birthday

At church, a little dance drew us near
Your honest smile made the whole
room bright
I saw a love I'd hold forever dear
You became my shelter, warm and light
From that first step, my heart knew where
to stay
And found its home beside you every day

> *Maura, you're my anchor in the tide*
> *The one I trust to stay by my side*
> *You hold my heart when skies turn gray*
> *Forever, I'll love you each day*

We faced our troubles, adventures too
Through highs and lows, I leaned on you
You stayed beside me when days were gray
Even when I felt unworthy that day
Our beautiful son is our delight
He makes our world feel warm and bright
Through every turn, you kept me strong
With you beside me, I belong

> *Maura, you're my anchor in the tide*
> *The one I trust to stay by my side*
> *You hold my heart when skies turn gray*
> *Forever, I'll love you each day*

On your birthday, I wish you light
More years to hold you close at night
A long, happy life, hand in hand
With you beside me, where we stand

> *Maura, you're my anchor in the tide*
> *The one I trust to stay by my side*
> *You hold my heart when skies turn gray*
> *Forever, I'll love you each day*

That little dance still leads me home
Beside you, I am never alone
