A SONG WRITTEN FOR DAVE

Steadfast Love

Just because

At church, we met and talked for hours
The world grew still around our hearts
Your warmth bloomed softly into flowers
And laughter gave our lives new starts
Those first long talks drew me along
I knew at last I could belong

> *Dave, through hard days, you're here for me*
> *Steadfast and true, you light my way*
> *You hold my heart so tenderly*
> *You're my steadfast love, come what may*

In Ireland, I saw your homeland
And met your mum and family
Your homeland opened like a hand
And filled my heart with memory
Now, it hurts to see you in pain
Still, you try so hard to go on
Your strength shines through each
weary strain
You're there for me from dusk till dawn

> *Dave, through hard days, you're here for me*
> *Steadfast and true, you light my way*
> *You hold my heart so tenderly*
> *You're my steadfast love, come what may*

May your guitar sing out once more
May open waters bring you peace
I'll be beside you evermore
With love that will not ever cease

> *Dave, through hard days, you're here for me*
> *Steadfast and true, you light my way*
> *You hold my heart so tenderly*
> *You're my steadfast love, come what may*

Where open waters meet the sky
My steadfast heart will stay nearby
