A SONG WRITTEN FOR TIM

# Every Sunrise

*Just because*

At Reddi Mart, I saw you standing there
My heart beat fast, I couldn't help but stare
A smile stayed with me through all that day
I couldn't wipe that happy smile away
One glance made every passing second new
My heart kept racing just because of you

> *Tim, you never once gave up on me*
> *You forgave the flaws that you could see*
> *Though old scars cloud my open eyes*
> *You choose me at every sunrise*

You had me face the window's darkened glass
I saw no beauty in the world that passed
You said my reflection was the view
The most beautiful thing there was to you
You faced your ex and said you'd marry me
And made your choice so clear for me to see
My health issues have asked so much of you
I'm sorry for the strain they put you through

> *Tim, you never once gave up on me*
> *You forgave the flaws that you could see*
> *Though old scars cloud my open eyes*
> *You choose me at every sunrise*

For every day ahead, I'll hold you near
With all the truth my heart can make you hear
Just because, I need you to know
My love will follow where you go

> *Tim, you never once gave up on me*
> *You forgave the flaws that you could see*
> *Though old scars cloud my open eyes*
> *You choose me at every sunrise*

*That window holds the truth you knew*
*I am more beautiful to you*
