A SONG WRITTEN FOR COLLEEN

Heart Belongs to You

Just because

We met while dating other people then
Five years passed before we'd meet again
We both had broken up, the path was clear
Then came our first date, and you were near
From that first date, I knew your heart was true
Each day feels better, standing next to you

> *Colleen, my heart belongs to you*
> *George adores you, the best mom in the world*
> *Your caring love is strong and true*
> *I love you, my little squirrel*

At WVU games, you're by my side
Your laughter rises high into the sky
We cheer together, full of pride
With you, the best of times go flying by
At work, when days are difficult, you care
I'm there for you when work is hard to bear
To George, you're the best mom in the world
Your caring makes our little world unfurl

> *Colleen, my heart belongs to you*
> *George adores you, the best mom in the world*
> *Your caring love is strong and true*
> *I love you, my little squirrel*

No occasion, just these words for you
I'll stand beside you, loyal, strong, and true
We'll keep on finding reasons just to smile
And hold this love through every passing mile

> *Colleen, my heart belongs to you*
> *George adores you, the best mom in the world*
> *Your caring love is strong and true*
> *I love you, my little squirrel*

With George beside us, love comes shining through
I keep on finding home right next to you
