A SONG WRITTEN FOR DEBBY GRAY

# Guiding Light of Love

*That i love her and she my rock*

On Miners estate, we first met
In Moston, I'll never forget
Then we dated, hand in hand
Love gave us a place to stand
Across the years, you kept us near
Your gentle heart has stayed so clear

> *Debby Gray, you are my guiding light*
> *Thank you for holding us so tight*
> *For all you've done, my love is true*
> *I'll forever love you*

For thirty-four years, side by side
We raised six children with such pride
You put our family first each day
And gave your kindness all the way
When I was wrong, and storms would start
You still forgave my foolish heart
On our twenty-fifth anniversary
We renewed our vows so tenderly

> *Debby Gray, you are my guiding light*
> *Thank you for holding us so tight*
> *For all you've done, my love is true*
> *I'll forever love you*

Your strength has carried us through rain
I'll choose your hand through joy and pain
Thank you for all you give and do
Forever, I will cherish you

> *Debby Gray, you are my guiding light*
> *Thank you for holding us so tight*
> *For all you've done, my love is true*
> *I'll forever love you*

*Still side by side, our hearts will shine*
*I thank the days that you are mine*
