A SONG WRITTEN FOR KAELA

Sweet Moments Together

Birthday

At the park, you race to the swing
Your little feet dance to the beat
You make the playground start to sing
Hot chocolate, one cookie to eat
At three, you're happy on your own
In ballet, all your joy is shown
You count and read before you're three
All by yourself, so clever and free

> *Kaela, I smile when you say*
> *"Mommy Diane" in your sweet way*
> *Keep exploring, learning each day*
> *Huggles, I'm here all the way*

At our home, you pluck guitar strings
And make the little music ring
When Nongnong rubs your back at night
You drift to sleep till morning light
You watch Paw Patrol, giggling with me
Cheering the pups, happy as can be
I say "huggles," you say it too
Big squeezy hugs come shining through
At our home, you sleep over too
I love those moments spent with you

> *Kaela, I smile when you say*
> *"Mommy Diane" in your sweet way*
> *Keep exploring, learning each day*
> *Huggles, I'm here all the way*

On your birthday, keep shining bright
May every day feel warm and light
Be brave in all you want to do
My open arms will wait for you

> *Kaela, I smile when you say*
> *"Mommy Diane" in your sweet way*
> *Keep exploring, learning each day*
> *Huggles, I'm here all the way*

A knock upon the windowpane
Then huggles, huggles once again
