A SONG WRITTEN FOR HANNAH LYN UMAYAS

Guiding Light of Love

Anniversary

We met in 1990, high-school sweethearts, you and me
Seeing you smiling by my side
Married July sixth, 1993
Serving Jehovah together
Together, we let time run free
You cook and clean with patience and love
Your kindness shines in everything you do

> *Hannah Lyn Umayas, you're my life*
> *You are amazing in all ways*
> *Thank you for patience through each day and night*
> *I will love you plenty, always*

In Hawaii, you're far from me
While I am here in Phoenix still
Distance can't change our history
Our love outlasts the lonely chill
We lived in a camp, with little to spare
We traveled as a family, carefree
Yet you kept showing how you care
You love to exercise and cuddle with me

> *Hannah Lyn Umayas, you're my life*
> *You are amazing in all ways*
> *Thank you for patience through each day and night*
> *I will love you plenty, always*

On our anniversary, I say
I'll cherish our simple life so dear
Whatever distance comes our way
We'll find each other year by year

> *Hannah Lyn Umayas, you're my life*
> *You are amazing in all ways*
> *Thank you for patience through each day and night*
> *I will love you plenty, always*

Your smile will be my guiding light
Our love still warms the quiet night
