A SONG WRITTEN FOR IVETA

Dreams in the Spotlight

Just because

1:07 3:18

At the circus not long ago
Performers gave a striking show
You laughed and clapped with all your heart
You filmed the acts, each little part
To watch them all another day
And keep their wonder close this way

> *Iveta, you will be fine, I know*
> *I see your dreams rise into light*
> *You bring warm sunshine where you go*
> *Your dreams will shine forever bright*

The day you came, so very small
Your smile shone like the sun on all
Your quiet laugh rang like a bell
A sound I came to know so well
A terrifying thing appeared
Yet courage helped you persevere
You lived day by day, made it through
Then I saw smiles come back to you

> *Iveta, you will be fine, I know*
> *I see your dreams rise into light*
> *You bring warm sunshine where you go*
> *Your dreams will shine forever bright*

I'll keep believing as you grow
And cheer the way you choose to go
May every dream find room to rise
May sunshine dance within your eyes

> *Iveta, you will be fine, I know*
> *I see your dreams rise into light*
> *You bring warm sunshine where you go*
> *Your dreams will shine forever bright*

A bell-like laugh, a shining view
The world feels warmer thanks to you
