A SONG WRITTEN FOR CARMEN

Radiant Love and Faith

Birthday

At La Placita Church, our paths first crossed
A friendship grew, a gift I never lost
My sister-in-law, so warm and true
A friend for life in all we knew
Your joyful heart brings comfort when you're near
Your caring ways bring quiet cheer

> *Carmen, Poncho and Tere love you so*
> *We honor all the strength you show*
> *Your love for Jesus lights our way*
> *We love you more each day*

When hard times came, you held on tight
Through Jesus, you found your way to light
With patient grace, you always give
You show us how to truly live
A beautiful soul, inside and out
Your joyful faith outshines all doubt
A role model, selfless and strong
You lift our hearts with every song

> *Carmen, Poncho and Tere love you so*
> *We honor all the strength you show*
> *Your love for Jesus lights our way*
> *We love you more each day*

May seventy bring songs and light
A happy birthday, warm and bright
May every blessing find your door
And keep you joyful evermore

> *Carmen, Poncho and Tere love you so*
> *We honor all the strength you show*
> *Your love for Jesus lights our way*
> *We love you more each day*

Your light remains wherever we go
Our love surrounds you, this you know
