A SONG WRITTEN FOR RAIANNSUE

Little Pearl

Birth

The day you were born, I held you near
Your little light changed all I knew
I felt a joy so bright and clear
And every day began with you
Since then, my heart has kept this song
With you, my little girl, I belong

> *Raiannsue, your birthday's here today*
> *You changed my life in every way*
> *No matter how old, you're still my pearl*
> *You'll always be my little girl*

That Father's Day, you made breakfast
Your thoughtful heart came shining through
Those little things are treasures best
Because they carry all of you
In Florida, we watched days glow
In Wisconsin, you were by my side
Your loving heart made memories grow
Hardworking heart, my joy, my pride

> *Raiannsue, your birthday's here today*
> *You changed my life in every way*
> *No matter how old, you're still my pearl*
> *You'll always be my little girl*

Whatever road you choose to roam
My arms and heart are home for you
I'll cheer the dreams you follow through
And keep a place that's warm and true

> *Raiannsue, your birthday's here today*
> *You changed my life in every way*
> *No matter how old, you're still my pearl*
> *You'll always be my little girl*

My heart still sees that first bright day
And loves you more in every way
